M.S. Thesis Students Current: #
M.S. Project Students Graduated: #
M.S. Project Students Current: #
Undergraduate Students (Research): #
Middle or High School Students (Research): #

SUMMARY OF TEACHING:

Undergraduate Courses Taught: #

- New Undergraduate Course Development: #

Graduate Courses Taught: #

- New Graduate Course Development: #

Average Teaching Evaluation Score for Undergraduate Courses taught at ASU: #
Average Teaching Evaluation Score for Graduate Courses taught at ASU: #

RESEARCH SUPPORT

SUMMARY OF RESEARCH SUPPORT

Dr. XYY's share (recognition) of the total award amount received at ASU as PI, co-PI, or co-I as of XX/XX/20XX: \$

- This data reflects the funding recognition and should match ASU's records (investigators agree on the individual percentage of recognition during the submission process).

Dr. XYY's share (recognition) in all awards as PI, co-PI, or co-I: \$

- This is the portion of the awards funding that is expected to be administered by the faculty member. This includes awarded funds that have not yet been received and provides a baseline as to the faculty member's contributions to grant success (investigators agree on the individual percentage of recognition during the proposal submission process).

Dr. XYY's share (recognition) of research expenditures as of XX/XX/20XX: \$

- This data should match ASU's records of the faculty member's share of research expenditures.

Total amount of all awards in which Dr. XYY is the PI: \$

- This is all the funding expected to be received for every award the faculty member is on as PI. This includes awarded funds that have not yet been received and provides an indication of the faculty member's leadership role in funded sponsored projects.

Total amount of all awards in which Dr. XYY is the PI, co-PI, or co-I: \$

- This is all the funding expected to be received for every award the faculty member is on as PI, co-PI, or co-I. This includes awarded funds that have not yet been received and provides a baseline as to the faculty member's grant success.

Total amount of all pending proposals in which Dr. XYY is the PI, co-PI, or co-I: \$

- This is all the funding expected to be received for every pending proposal the faculty member is on as PI, co-PI, or co-I. This provides a baseline as to the faculty member's level of activity.
